(IN THE FAITH OF OUR ANCESTORS)

Ethos

Underlying our work as educators, are fundamental values and principles to which we are committed.

We believe that education is concerned with the development of the whole person academically, physically, socially, culturally, morally and spiritually.

- We believe that all children have the right to the best possible education, irrespective of gender, race, religion or ability.
- We believe that the educational process is a partnership involving the teachers, children, parents, Board of Governors and the local community.

SCHOOL VALUES

We, at St Patrick's Primary School, agree to:-

Respect each other

Embrace the Catholic Ethos

Show tolerance towards other Cultures and Beliefs

Promote a Positive Attitude

Encourage each other

Commit to the School's Vision

Treat others as we would like to be treated ourselves

Here at St. Patrick's P.S., we take complaints very seriously. We have the best interests of all our pupils and their families at the centre of all we do. In this regard, we encourage anyone with a concern to speak to us as soon as possible. If concerns are dealt with at an early stage, then they are more likely to be resolved and there is no unnecessary dissatisfaction.

Many issues can be addressed simply by talking to the relevant staff in school who will be happy to help. Open communication and regular engagement between the school staff and the wide range of users is vital to the effective management of the school.

We welcome open communication with our staff; you can speak to staff by ringing the office for an appointment.

If you have any issues, please talk to the teacher. Concerns about matters other than in the classroom should be raised with the Principal. We take all concerns seriously and make every effort to resolve matters as quickly as possible.

AIMS

When dealing with complaints the school will;

- encourage resolution of all concerns as quickly as possible
- provide timely responses to concerns and complaints
- keep you informed of progress
- ensure a full and fair investigation of your complaint where appropriate
- have due regard for the rights and responsibilities of all parties involved
- respect confidentiality
- fully address complaints and provide an effective response
- take appropriate action to rectify the issue and prevent it happening again where appropriate
- be responsive to learning from outcomes which will inform and improve practice within the school.

A copy of this Procedure is available on the school's website or is available from the school on request.

Complaints Procedure – At a glance

Time Limit

Please contact the school as soon as possible - unless there are exceptional circumstances, complaints will normally only be considered within 6 months of origin of the complaint to the school.

Stage One

When making a complaint, contact the school Principal who will arrange for the complaint to be investigated. *If the complaint is about the Principal, proceed to Stage Two.* The school requires complaints to be made in writing, where this may present difficulties, please contact the school which will make reasonable arrangements to support you with this process. (see *guidance notes for further information*).

Please provide as much information as possible including;
