PLEASE RETURN PERMISSION SLIP ON OR BEFORE THIS FRIDAY

**There are 9 minutes during the day that have the greatest impact on a child:**

- The first 3 minutes right after they wake up.
- The 3 minutes after they come home from school.
- The last 3 minutes of the day before they go to bed.

Make those minutes special and help our children feel special, loved, and accepted.

~ Each day children need meaningful eye-to-eye conversations with a parent. It is especially important to slow down and look them in the eye. Listen and respond with love.

~ Hug your child, straighten her hair, pat him on the back and tell them how proud you are of them every day. A simple touch makes them feel connected to a parent in ways that words never will.

**Remember, actions speak louder than words!**
